When a baby comes to the house rea happinese comes. The care and anxiety count for nothing against the clinging of the little voice. The highest func-tion given to human beings is bringing healthy, happy children into the world Over thirty years ago the needs of women appealed to Dr. Pierce, now chief consulting physician to the Invalid's Hotel and Surgical Institute, of Buffalo, N. Y. The result of his study improved by thirty years of practice is embodied in Dr. Pierce's Favorite Prescription. It strengthers, purifies and makes healthy the organs distinctly feminine. It gives weak women the etrength and health necessary for the production of healthy children and it nakes the bearing of those children easy. It is sure to cure any weakness or derangement peculier to women, stops pain, soothes inflammation strengthens, purifies, invigorates.
